

One World, Many Stories

The statewide Rhode Island Summer Reading Program is supported by the RI Office of Library and Information Services with funds from the Institute of Museum and Library Services, McDonald's Local Owner/Operators of Rhode Island, the Pawtucket Red Sox, Citizens Bank and Pepsi. Local support includes RI Children's and Young Adult Librarians and the North Scituate Public Library.

A special **Thank You** to the **Scituate Art Festival** and the **Scituate Farmers Market** for their support!

Travel the world this summer right here at the North Scituate Public Library!
All our performers and craft programs will be focusing on countries across the globe.
All family oriented performers are for children and parents of all ages and require no registration.

Craft programs will, however, require registration and will be geared to specific age groups.
Please note this when registering.

Due to the continuing construction of the library at 606 West Greenville Road this summer, all performers and craft programs, will be held at the Community House unless otherwise noted.

FAMILY SUMMERTIME EVENTS
